

Sean Prall

Assistant Professor · Department of Anthropology
University of California, Los Angeles
✉ sprall@ucla.edu 🌐 sprall.github.io | Updated: 17 Jun 2026

Positions

University of California, Los Angeles

Assistant Professor, Department of Anthropology 2024-
Faculty Affiliate, California Center for Population Research

University of Missouri

Assistant Professor, Department of Anthropology 2019-2024

University of California, Los Angeles

Postdoctoral Scholar, Center for Behavior, Evolution, and Culture 2016-2019

University of Washington

Research Scientist, Department of Biomedical Informatics & Medical Education 2015-2016

New Mexico State University

Visiting Assistant Professor, Department of Anthropology 2015

Education

Indiana University, Ph.D. Anthropology 2014

Boise State University, B.A. Anthropology 2008

Grants & Funding

2023 - 2026. National Science Foundation (BCS #2317312/#2438025) & the Social Science Research Council's Mercury Project. NSF-SSCR: *Sociodemographic Influences on Vaccine Decision-Making*. Role: PI. Co-PIs: Brooke Scelza & Helen Davis. \$442,478.

2025 - 2026. Academic Senate Faculty Grant. UCLA Academic Senate RAP Program. \$5000.

2012 - 2013. Indiana Academy of Science Senior Research Grant. The role of dehydroepiandrosterone in immunocompetence and immunoredistribution in humans. \$2966.

Publications

JOURNAL ARTICLES

Prall SP, Scelza BA, Lopes A, Schleper K, Savastio A. in press. Traditionalism mediates social learning: Biases in acceptance of novel health interventions among Himba pastoralists. *Evolution, Medicine, and Public Health*.

INVITED PRESENTATIONS

- 2025. Evolution of Social Complexity Speaker Series, School of Human Evolution and Social Change, Arizona State University.
- 2024. Department of Anthropology, University of California, Los Angeles.
- 2024. Department of Anthropology, Washington State University.
- 2024. Department of Anthropology, University of Wyoming.
- 2023. Department of Anthropology, Baylor University.
- 2023. BEC Speaker Series, University of California, Los Angeles.
- 2023. Darwin Week, College of Charleston, Charleston SC.
- 2022. University of Namibia, Oshakati, Namibia.
- 2022. Department of Anthropology, University of California, Santa Barbara.
- 2022. Evolutionary Anthropology Spring Colloquium Series, University of California, Davis.
- 2022. Anthropology Department Colloquium Series, University of Missouri.
- 2020. Focus on Africa Series, MU African Interdisciplinary Studies Hub, University of Missouri.
- 2019. Spring Speaker Series, Department of Anthropology, University of Nevada, Las Vegas.
- 2019. Department of Anthropology, New Mexico State University.
- 2019. Department of Anthropology, University of Missouri.
- 2016. BEC Speaker Series, University of California, Los Angeles.
- 2016. BASS Seminar Series, Department of Anthropology, University of Washington.
- 2015. Anthropology Undergraduate Organization, New Mexico State University.
- 2014. Animal Behavior Brownbag Seminar Series, Institute for Mind and Biology, University of Chicago.

Experience and Training

FIELD EXPERIENCE

2016-current - Kunene Rural Health and Demography Project, Kuenene Region, Namibia

Six seasons of fieldwork with Kunene pastoralists. Collection of demographic, anthropometric, behavioral, reproductive, and social network data. Collection of salivary samples, DNA samples, and actigraphic data. Project Co-director.

2015 - Primate Ecotourism Survey, Kurland Township, South Africa

One season as associate instructor in an undergraduate field school focused on primate ecotourism. Student management and oversight, and collection of survey data.

2009 & 2011 - Sabah Ecohealth Project, Sandakan, Malaysia

Two seasons of data collection focused on ecotourism and the human-primate interface. Collection and processing of biological samples for virus extraction and identification from humans. Collection and processing of biological samples from orangutans and macaques.

2005 - Belize Valley Archaeological Reconnaissance Project, Cayo District, Belize

One season of bio-archaeology field school at Cave's Branch Rockshelter.

WORKSHOPS

The Population Ecology, Aging, and Health Network. Duke University. 2025 and 2026.

Mercury Project Solutions Summit, University of Nairobi. Nairobi, Kenya. October 2024.

Energetics in Anthropology Workshop. Duke University. May 2022.

Professional Grant Development Workshop. Grant Training Center. April 2021.

Economic Network Dynamics of Wealth and Inequality. Santa Fe Institute. February 2020.

Field-site Management. Max Planck Institute. Leipzig, Germany. June 2018.

SKILLS

Phlebotomy training from the Indiana University School of Medicine

Anthropometric assessment of body composition
Immunological Assays: hemolytic complement assay, serum and salivary bacteria killing assay, lymphocyte proliferation, dexamethasone suppression, flow cytometry, enzyme immunoassay
Enzyme immunoassay for assessment of hormone concentrations
Blood borne Pathogen, Chemical, and Bio safety Level II Training
R statistical software, Bayesian statistics, FileMaker, RedCap, KoboToolbox
Intermediate Spanish, basic Otjherero

Teaching Experience

University of California, Los Angeles

Human Evolution (Anthro 1)
Fiat Lux: The Anatomy of Deception
Measuring Behavior
Sex: From biology to a gendered society (GE Cluster 72a)
Biological Anthropology Colloquium (202a)

University of Missouri

Introduction to Anthropology
Outbreaks and the Anthropology of Emerging Disease
Evolution of Human Sexuality
Evolutionary Medicine
Comparative Social Organization

New Mexico State University

Human's Place in Nature
Human Osteology
Reproductive Ecology

Indiana University, Bloomington

Introduction to Bioanthropology
Human Anatomy Lab
Human Physiology Lab
Biology Laboratory

Honors

Paper selected as *Editors Choice* for the January 2023 issue of AJHB.
New Investigator Award, Evolutionary Anthropology Society, 2018.
Departmental Nominee for the Wells Graduate Fellowship Award, IU, 2012.
Liljeblad Cultural Anthropology Book Award, BSU, 2007.
Eagle Scout Award, Boy Scouts of America, 2003.

Awards

Writing Fellowship, College of Arts & Sciences, MU. 2023-2024.
Faculty International Travel Award, College of Arts & Sciences, MU. 2022.
Early Career Fellowship. Energetics in Anthropology Workshop, Duke University. 2022.
William S. Pollitzer Student Travel Award, AAPA. 2012, 2013, & 2014.
David C. Skomp Award, Department of Anthropology, Indiana University, Bloomington. 2011 & 2013.

Professional Affiliations

American Anthropological Association - Evolutionary Anthropology Society
American Association for the Advancement of Science*
American Association of Biological Anthropologists
Cultural Evolution Society*
European Human Behaviour and Evolution Association
Human Behavior and Evolution Society
Human Biology Association*
Society for Applied Anthropology
Society for Cross-Cultural Research

*current membership

Service

EXTRAMURAL SERVICE

Panelist, Cultural Anthropology. National Science Foundation; 2022, 2023, 2024.
Panelist, Early Career Event, EHBEA 2023.
Session Chair, "Inequality," EHBEA 2023.
Session Chair, "Healthcare, health crises, and the intersection of social and gender identity," SCCR 2023.
AABA Program Committee; 2018, 2019, 2020, 2022, 2023, 2026.
HBA Student Awards Committee; 2018, 2024, 2026.

INTRAMURAL SERVICE

Chair of the Departmental Presidential Postdoctoral Fellowship Program Committee, 2025-2026. UCLA.
Graduate Summer Research Mentorship Faculty Review Committee. 2025. UCLA.
Departmental Graduate Admissions Committee, 2024-2025. UCLA.
Anthropology Graduate Student Association Faculty Liaison. 2023 - 2024. MU.
Chair of the Department of Anthropology Committee for Lectures & Communication. 2023 - 2024. MU.
Anthropology Undergraduate Association Faculty Liaison. 2020-2023. MU.

STUDENT SUPERVISION

Madigan Durham, PhD in progress. Co-Advisor. UCLA.
Kasey Schleper, PhD in progress. Committee member. UCLA.
Emma Tinker-Fortel, MA 2023. PhD in progress. Committee member. MU.
Kyle Clark, PhD 2021. Committee member. MU.

AD-HOC REFEREEING

Adaptive Human Behavior and Physiology, American Journal of Human Biology, Annals of Human Biology, BMC Women's Health, Biological Reviews, Cogent Social Sciences, Evolutionary Anthropology, Evolutionary Human Sciences, Evolution and Human Behavior, Global Environmental Change, Health Science Reports, Hormones and Behavior, Human Nature, Impact in Agricultural and Life Sciences, International Journal of Primatology, Journal of African Economies, Journal of Pharmaceutical Policy and Practice, Journal of Racial and Ethnic Health Disparities, Nature Human Behaviour, Open Forum Infectious Diseases, Oxford University Press, Princeton University Press, Psychoneuroendocrinology, Public Health, Public Health Challenges, Routledge Anthropology, Scientific Reports, Sleep Advances, Sleep Health, Social Sciences, Social Science & Medicine, SSM Population Health

Selected Media Coverage

2025 - *Daily Bruin* - Fiat Lux seminar explores implications for mistrust in health care systems

2024 - *Brunel Press Release* - Are farmers always more fertile than foragers? Context matters, new study asserts

2023 - *EurekAlert/AAAS & ScienceDaily* - Study suggests that having common ancestors can jeopardize fertility for generations

2023 - *Sausage of Science Podcast* - Sean Prall on the Himba, dyadic peer ratings, and the giants of R

2023 - *Kansas City Magazine* - MU Anthropologist Says Relationships Are Better Between People With Similar Levels Of Desirability

2022 - *Men's Health Australia* - Science says you shouldn't punch above your weight in a relationship

2022 - *Psychology Today* - Don't date up: why it could be best to stay in your own league

2022 - *EurekAlert/AAAS & ScienceDaily* - Relationships are best between people of similar desirability, study finds

2022 - *EurekAlert/AAAS* - Ethical challenges in cross-cultural research
